El Instituto Forestal Nacional entrega 3.500 herramientas de trabajo para Bomberos Forestales

La Comandancia Nacional inició la distribución de alrededor de tres mil quinientas herramientas a las Compañías del CBVP, que serán destinadas para el uso de combate contra incendios forestales.

Además de las tres mil quinientas herramientas en donación, el CBVP también recibió 5 camionetas, tanques forestales y motobombas que están siendo distribuidas a las compañías de todo el país según criterio técnico.

Esta donación proviene del Instituto Forestal Nacional INFONA, Organización Gubernamental cuyo objetivo general es la administración, promoción y desarrollo sostenible de los recursos forestales del país, en cuanto a su defensa, mejoramiento, ampliación y racional utilización.
